# ST582 Maxx Out

SUMMER/WINTER

It is an all weather tire for a wide range of weather and road conditions. The V-shaped channels offer effective discharge of water, mud and snow. Delivers excellent driving and cornering capabilities and assures safety on both ice and snow thanks to its unique pattern design and special compound. 3PMSF and M+S markings on the tire prove better grip and braking on snowy roads.

# W860 Arcterrain

## Winter Tire

ARCTERRAIN W860 is specifically developed to help drivers keep moving in the harshest winter conditions where the roads are covered with snow and ice. Ensures ultimate safety by providing precise handling and short braking distance on snowy and icy road surfaces. Optimized profile keeps contact with the ground at even the most extreme conditions. The superior performance of W860 is proven on relentless tests in the challenging weather and road conditions of Finland.

All Weather Tire

It is an all weather tire for a wide range of weather and road conditions. The V-shaped channels offer effective discharge of water, mud and snow. Delivers excellent driving and cornering capabilities and assures safety on both ice and snow thanks to its unique pattern design and special compound. 3PMSF and M+S markings on the tire prove better grip and braking on snowy roads.
